PRODUCT FEATURES

- Water Based paint is permanent on most surfaces such as metals, plastics, wood, glass, corrugated cardboard, textiles, etc.
- Low odor formula has less than 0.6% VOC and is not flammable
- UV and weather resistant, marks are opaque and streak free
- Engineered for minimal environmental impact (barrel and cap are made of clear, recyclable polypropylene, no adhesive label used)
- Clear barrel indicates paint level
- Marker fits in U-Holder™

TYPICAL USES

- Wherever product odor, safety and environmental impact are a concern
- General purpose industrial marking for quality assurance, color coding and parts identification
- Window and auto glass marking (marks are removed with most standard glass and window cleaners without leaving a halo)
- Suitable for signs, posters, canvas, stone, concrete, etc.
